

Genera in Myrtaceae

Below is a list of the genera in Myrtaceae (arranged alphabetically). Genus names in bold are those currently found in Australia.

(Supplied: Department of Environment and Resource Management)

Acca spp.
Accara spp.
Acmena spp.
Acmenosperma spp.
Actinodium spp.
Agonis spp.
Algrizea spp.
Allosyncarpia spp.
Aluta spp.
Amomyrtella spp.
Amomyrtus spp.
Anetholea anisata
Angasomyrtus spp.
Angophora spp.
Archirhodomyrtus spp.
Arillastrum spp.
Astartea spp.
Asteromyrtus spp.
Astus spp.
Austromyrtus spp.

Babingtonia spp.
Backhousia spp.
Baeckea spp.
Balaustion spp.
Barongia spp.
Basisperma spp.
Beaufortia spp.
Blepharocalyx spp.

Callistemon spp.
Calothamnus spp.
Calycolpus spp.
Calycorectes spp.
Calyptranthes spp.
Calyptrogenia spp.
Calytrix spp.
Campomanesia spp.
Carpolepis spp.

Chamelaucium spp.
Chamguava spp.
Cloezia spp.
Conothamnus spp.
Corymbia spp.
Corynanthera spp.
Curitiba spp.

Darwinia spp.
Decaspermum spp.
Eremaea spp.
Eucalyptopsis spp.
Eucalyptus spp.
Eugenia spp.
Euryomyrtus spp.

Gomidesia spp.
Gossia spp.

Harmogia spp.
Heteropyxis spp.
Hexachlamys spp.
Homalocalyx spp.
Homalospermum spp.
Homoranthus spp.
Hottea spp.
Hypocalymma spp.

Kania spp.
Kardomia spp.
Kjellbergiodendron spp.
Kunzea spp.

Lamarchea spp.
Legrandia spp.
Lenwebbia spp.
Leptospermum spp.
Lindsayomyrtus spp.

Lithomyrtus spp.
Lophomyrtus spp.
Lophostemon spp.
Luma spp.
Lysicarpus spp.

Malleostemon spp.
Marlierea spp.
Mearnsia spp.
Melaleuca spp.
Meteoromyrtus spp.
Metrosideros spp.
Micromyrtus spp.

Mitranthes spp.
Mitrantia spp.
Mosiera spp.
Myrceugenia spp.
Myrcia spp.
Myrcianthes spp.
Myrciaria spp.
Myrrhinium spp.
Myrtastrum spp.
Myrtella spp.
Myrteola spp.
Myrtus spp.

Neofabricia spp.
Neomitranthes spp.
Neomyrtus spp.

Ochrosperma spp.
Octamyrtus spp.
Osbornia spp.

Paragonis spp.
Pericalymma spp.
Petraeomyrtus spp.
Phymatocarpus spp.

Pileanthus spp.
Pilidiostigma spp.
Piliocalyx spp.
Pimenta spp.
Pleurocalyptus spp.
Plinia spp.
Pseudanmomis spp.
Psidium spp.
Psiloxylon spp.
Purpureostemon spp.

Regelia spp.
Rhodamnia spp.
Rhodomyrtus spp.
Rinzia spp.
Ristantia spp.

Sannantha spp.
Scholtzia spp.
Seorsus spp.
Siphoneugena spp.
Sphaerantia spp.
Stenostegia congesta
Stereocaryum spp.
Stockwellia spp.
Syncarpia spp.
Syzygium spp.

Taxandria spp.
Tepualia spp.
Thaleropia spp.
Thryptomene spp.
Triplarina spp.
Tristania spp.
Tristaniopsis spp.

Ugni spp.
Uromyrtus spp.

Verticordia spp.

Waterhousea spp.
Welchiodendron spp.
Whiteodendron spp.

Xanthomyrtus spp.

Xanthostemon spp.
