

Department of  
**Primary Industries  
and Fisheries**

**Annual Report 2007–08**

## Our vision

Profitable primary industries for Queensland

## Our mission

Maximise the economic potential of Queensland's primary industries on a sustainable basis

## Our values

- We are committed to profitable primary industries for Queensland
- We work together as one DPI&F
- We deliver what we promise
- We demonstrate leadership and innovation
- We build effective relationships with our stakeholders and others

The Department of Primary Industries and Fisheries (DPI&F) seeks to maximise the economic potential of Queensland's primary industries on a sustainable basis.

This annual report is printed on Australian made 115gsm and 300gsm Impress Matt derived from sustainable forests. The pulp is brightened using chemicals other than chlorine. It is PEFC certified and manufactured by an ISO 14001 certified mill using renewable energy sources.

# Past...

**1963—Department of Agriculture  
and Stock was renamed Department  
of Primary Industries (DPI)**

# Present...

**2008—Department of Primary  
Industries and Fisheries (DPI&F)  
adopts a ‘fresh approach’  
for service delivery**

# Future...

**The future of DPI&F's 'fresh approach'  
is new world-class science and technology  
research and development facilities to serve  
our primary industries and fisheries stakeholders**
